Commuting Request

(For those who are under 39 years old and wish to live off-campus)

Dormitory life has been considered as part of TCU's education, and it has been a requirement, in principle, for all full-time TCU students to live on campus. The dormitory education allows the students to experience "living together with those made free in Christ". Therefore, TCU strives to nurture evangelical Christians for whom Christ's love and righteousness are the grounds of every decision. With a clear understanding of the purpose of dormitory education at TCU, fill out this form stating why you want to live off-campus and not in the dormitory. Submit this form at the time of application. (Applicants over 40 years old who wish to live off-campus do not need to submit this form.)

*Please attach a medical certificate if the reason is health-related.
*Submitting this form does not guarantee automatic approval to live off-campus.
