## Statement of Faith

Tokyo Christian Institute is founded on the Biblical, historical and orthodox rule of faith, which was consistently revealed in both the Old and the New Testaments, expressed in the Ecumenical Creeds of the Ancient Church, and proclaimed in the Reformation. In response to various challenges, including those stemming from certain aspects of the Enlightenment and liberal theology, contemporary Evangelical faith has endeavored to defend this historical faith and to practice the piety of belief. The articles which are the basis of this Evangelical faith are the following:

1. The Bible, which consists of 66 books of the New and Old Testaments, was written by each writer under the perfect inspiration of the Holy Spirit. Thus, in the original writings there is no error, and it contains all that God desires to reveal to human beings concerning salvation. The Bible is the single and absolute standard for faith and practice.
2. The living and true God is one, who is eternally existent in three persons – Father, Son, and Holy Spirit.
3. God created all things, visible and invisible from nothing, the same being subject to His absolute sovereignty.
4. Adam was created in the image of God in right relation with God but was tempted by Satan and sinned against the will of God, thereby incurring both the pollution and punishment of sin with the result of both spiritual and physical death. All human beings are therefore born with a sinful nature being sinners in thought, word, and deed.
5. The Lord Jesus Christ is true God and true man. He was begotten by the Holy Spirit and born of the Virgin Mary, died on the cross for the sins of the world, was buried, and was raised again on the third day according to the Scripture. He ascended to heaven and sits at the right hand of God where he executes his ministry as high priest for us.
6. Because of the substitutionary death of our Lord Jesus Christ, all who believe in Him are forgiven of their sins and justified by faith and redeemed from the penalty and dominion of sin. There is no other way to salvation.
7. The Holy Spirit is a person whose ministry is to convict and regenerate sinful human beings, making them children of God, empowering them for a life of holiness and service, and conforming them to the image of Christ.
8. The church universal is the body of Christ, and all who are born again by the Holy Spirit become members thereof, Christ being the head. The church on earth, in a manner befitting Christ its head, should maintain purity of faith and life; and according to His command, should preach the Gospel to every creature.
9. Our Lord and Savior, Jesus Christ, is coming again personally, bodily, and visibly. He will raise bodily the just and the unjust, one to everlasting blessedness and the other to everlasting punishment, after which He will renew all things and deliver the kingdom to God the Father.

## Foundation Principles

Providing practical theology education to foster workers for world missions, embracing Protestant evangelical faith, and serving 21<sup>st</sup>-century society and church across denominational lines.

### 1. Evangelical

Tokyo Christian University (TCU) is a theological educational institution with the purpose of educating ministers and lay workers (clergy and laity) to be well equipped with historical, orthodox theology, which stresses the evangelical view of the Bible as the infallible Word of God and as the only rule for faith and life. Upon this stance, TCU embraces its statement of faith, prepares a wide-ranging curriculum with theological depth, and aims at sending talented human resources well-grounded in orthodox theology out to evangelical churches.

### 2. Interdenominational

TCU was founded through the cooperation of three previous schools, each of which has made distinctive accomplishments in interdenominational education. TCU will create a greater potential by combining the talents previously dispersed among the three schools, and it expects to contribute to the service for and the development of both domestic and foreign churches trans-denominationally.

### 3. Practical Theological Education

While providing interdenominational theological education to serve diverse churches, TCU aims to respond individually and practically to the needs and expectations of evangelical churches and organizations since the areas of service have become more diverse today. Therefore, TCU aims to provide practical theological education based on biblical faith in order to foster an attitude of service to the church combined with a capacity for effective leadership, thus producing students who, with brave and warm hearts, exemplify the gospel in their personal lives.

### 4. Commitment to Global Missions

In response to the Great Commission of the Lord of Mission, Jesus Christ, TCU places world missions within its educational vision. It builds relationships with evangelical churches and theological institutions worldwide, and in Asian countries in particular, contributing towards the eventual sending of missionaries and dedicated workers with an international spirit to the various fields home and abroad. By so doing, it will, in a positive manner, be involved in the precious task of building up of the Church as the Body of Christ that supersedes national and ethnic boundaries.

## Admission Policy

Tokyo Christian University (TCU) aims to train and educate people to serve God and others in the church beyond denominational boundaries and in society, while possessing a passion for world missions and a Christian worldview and calling based on Protestant evangelical principles.

Through its liberal arts education, holistic character development through dormitory education and chapel services, and specialized studies in each major, TCU works to foster a gospel-driven understanding of the Bible and broad theological knowledge, a disposition to serve people and society, cultural literacy, zeal with knowledge for serving God and the church, and the ability to think and act responsibly.

TCU seeks applicants who meet the following criteria:

1. Those who have been baptized or, for those baptized as infants, have made a public profession of faith.
2. Those who have expressed commitment to Christ and wish to serve in the church and society in the future.<sup>1</sup>
3. Those who assent to TCU's founding principles and statement of faith.
4. Those who have a basic knowledge of the Bible, and who have basic competencies for independent thought and self-expression.
5. Those who can communicate effectively with others.

During TCU's admissions process, TCU will evaluate applicants' basic knowledge of the Bible, their possession of basic competencies for independent thought and self-expression, and their ability to communicate effectively with others. The methods and standards of evaluation for admission to TCU are given separately in the Guidelines for Admissions.

<sup>1</sup> This includes not only those who hope to become pastors and missionaries, but anyone who wishes to serve Christ in this world.

## Educational Objectives

Tokyo Christian University (TCU) aims to train and educate people to serve God and others in the church beyond denominational boundaries and in society, while possessing a passion for world missions and a Christian worldview and calling based on Protestant evangelical principles. Towards accomplishing this goal, TCU works at cultivating character, broad cultural literacy, specialized knowledge in theology, and the ability to think and act responsibly.

## Diploma Policy

Tokyo Christian University grants the Bachelor of Arts degree to those who are enrolled for the prescribed period, who obtain the required credits by completing the courses designed to meet the University's "Educational Objectives," and who pass the final graduation evaluation by the faculty. In addition to lecture classes, the education offered to students includes seminars, internships, field experience, and graduation projects, as well as dormitory education and speaking at a graduation chapel.

The Bachelor of Arts degree will be granted to those who fulfill the following criteria:

1. A personal understanding of the core concepts of Protestant Evangelicalism.
2. A positive grasp of TCU's interdenominational principles.
3. Acquisition of theological knowledge in fitting with the curriculum, and the ability to apply it.
4. Attainment of a disposition to serve people and society as a Christian, as well as broad cultural literacy and the ability to apply it.
5. Development of a passion to serve God and the church, and the knowledge necessary to do so.

## Curriculum Policy

Tokyo Christian University has established its Curriculum Policy as follows in order to determine what kind of curriculum to develop, what kind of educational content and methodologies to offer, and how to evaluate educational outcomes. The aim of the Curriculum Policy is to fulfill the Diploma Policy based on the University's "Founding Principles" and "Philosophy and Mission." Through this Curriculum Policy, TCU aims to train students to become Christians who possess a gospel-driven understanding of the Bible and broad theological knowledge, with practical abilities to passionately serve God and people. (The codes inside parentheses correspond to objectives in TCU's Diploma Policy [DP].)

### [1] Course Offerings

- a. TCU offers the opportunity for theological studies broadly covering the traditional fields of Biblical Theology, Systematic Theology, Historical Theology, and Practical Theology, based on the principles of Protestant Evangelicalism and interdenominationalism. (DP-1, 2)
- b. TCU offers liberal arts courses necessary for understanding people and society. (DP-2, 4)
- c. TCU offers a curriculum with opportunities to study in both Japanese and English in order to train Christians capable of working broadly in society. (DP-4)
- d. TCU offers courses in fields such as Practical Theology, Global Studies, Youth Studies, and Christian Social Work to train Christians who possess practical skills for serving God and people with an understanding of different cultures and other people. (DP-1, 3, 4)

### [2] Course Organization

- a. To encourage a personal approach to studies, TCU arranges courses with learning opportunities ranging from foundational academic skills to specialized knowledge in an easy-to-understand way using course numbers. (DP-1, 2, 3)
- b. From among a broad selection of theological courses, TCU offers multiple majors (curricular models) and minors connected to clear visions of the future and encourages students to choose a path that will enable them to pursue their personal interests and future goals. TCU offers these majors: Church Ministry, Global Studies, Youth Studies, Christian Social Work, and Theological Studies. (DP-4, 5)
- c. TCU creates and provides students with course syllabi that clearly set forth course objectives, contents, teaching and learning methods, evaluation methods, etc. Additionally, TCU provides students and faculty with a "curriculum map" giving a detailed visual representation of the Curriculum Policy in order to ensure a shared understanding of the curriculum throughout the university. (DP-3)
- d. TCU works to offer courses more effectively and to improve course content through the implementation of course evaluations by students at the end of each term. (DP-3)

**[3] Methods and Evaluation of Learning**

- a. In order to minimize the distance between students and faculty and to encourage more active learning, TCU provides a diverse range of learning opportunities through lecture-based and discussion-based classes – mostly comprising small numbers of students – as well as internships, practicums, and graduation research projects. (DP-3, 4, 5)
- b. In order to promote meaningful participation and collaboration among students, TCU provides learning opportunities that adopt various “active learning” methods, such as small group discussions and student presentations in class. (DP-3, 4, 5)
- c. In order to train Christians who possess practical skills and collaborative abilities for serving society and the church, TCU requires attendance at chapel<sup>1</sup> and local church services, and it provides opportunities for education through dorm life. (DP-4, 5)
- d. In addition to regular course grades, multiple forms of evaluation by other parties, including student self-evaluations and interviews with faculty, are used to achieve a comprehensive evaluation of learning outcomes for assessing the competencies needed in order to graduate. (DP-1, 2, 4, 5)

**[4] Learning Support**

- a. TCU assigns each student a faculty advisor to provide personal support, including academic guidance and career counseling. (DP-3)
- b. TCU creates opportunities for meaningful exchange among upperclassmen and lowerclassmen<sup>2</sup> to foster the development of a learning community in which students can support one another. (DP-4, 5)
- c. TCU provides a support system for students who experience learning difficulties. (DP-3)
- d. TCU provides a student counseling room to respond to students’ diverse needs, including both mental and physical issues. (DP-4, 5)

**[5] First-Year Education**

- a. For first-year students – in addition to courses that focus on equipping students with foundational skills for academic study at the university level, and courses that give overviews of theological studies – TCU offers practical learning opportunities necessary for building a sense of belonging to the university learning community, and for developing a Christian worldview. (DP-1, 2, 3, 5)
- b. TCU introduces to first-year students a diverse range of curricular models and provides them with opportunities to interact with faculty and upperclassmen.<sup>3</sup> The purpose is to enable them to plan their studies individually and enthusiastically according to their personal interests and callings. (DP-3, 5)
- c. TCU uses pre-university education results in order to learn about students in need of support and then begin supporting them immediately upon matriculation. (DP-3)
- d. TCU begins its career education from the first year and supports students in forming specific visions for the future. (DP-4)

**Implementation of the Curriculum Policy (CP)**

- TCU aims to implement the curriculum policy methodically by including codes for underlying curriculum policies (e.g., CP-1a, CP-3c) in documentation related to undergraduate courses and their content, and related to other educational programs and activities designed for students.
- TCU’s faculty and staff will bear in mind the university’s “Education PDCA Cycle” and continue to implement revisions and improvements as needed by regularly confirming that their work is in accordance with the Curriculum Policy and the Diploma Policy.

1 “Chapel services” refers to worship services that all students attend from Tuesday to Friday each week.

2,3 This includes orientation for new students, spring retreats, small group chapels, and other student activities.

## Selecting Majors

Those who enroll in TCU as first-year students will select their majors at the beginning of their 3<sup>rd</sup> year. There are five majors in the Theological Studies Department: Theological Studies (J/E), Global Studies (J/E), Church Ministry (J), Youth Studies (J), and Christian Social Work (J)\*.

\*Medium of language for each major: J/E = both Japanese and English; J = Japanese only

## Regarding the Entrance Examination in Response to COVID-19

Depending on future infection rates of COVID-19, the application schedule and procedure may be carried out differently from what is written in the Application Guide. In that case, the Admissions Office will inform applicants individually by email. Please contact the Admissions Office if you have any problem taking university entrance qualification examinations, standardized tests (SAT, ACT, etc.), or English proficiency tests due to COVID-19.

### IMPORTANT

- International students who wish to be considered for the Scholarship for Students from Countries Qualifying for the Japanese Government's Official Development Assistance (ODA), in particular, are strongly advised to apply during the **"Fall Regular Admission"** period.
- Those who wish to be considered for the Noah Scholarship may apply during the Fall Early Admission or Fall Regular Admission period, though decisions concerning this scholarship will not be made until after the Fall Regular Admission period.
- **All application materials must be received by the deadline.**  
Applicants are expected to submit all of the application materials and documents online. In the event that an applicant must send one or more documents by mail (after consultation with the Admissions Office), we recommend express mail or courier delivery (FedEx, DHL, etc.) well ahead of the deadline. Send to:  
Admissions Office, Tokyo Christian University, 3-301-5-1 Uchino, Inzai City, Chiba 270-1347 JAPAN

## 1-4 Selection Process

1. **Transfer Eligibility Consultation (transfer students only):** Before submitting an application for admission, applicants who wish to transfer into the second or third year at TCU should submit the Transfer Eligibility Consultation form and academic transcript(s) from the institution(s) where he or she completed, or expects to complete, her/his post-secondary education. The Admissions Office will review the documents and determine the applicant's eligibility to apply as a second or third-year transfer student. These documents can be submitted by email.
2. **Preliminary Screening:** The applicant will first be evaluated based on the submitted application. Decisions are made only on completed applications.
3. **Interview:** Candidates who successfully pass the preliminary screening will be interviewed (in-person or online, approximately 30 minutes). Applicants will be evaluated on basic knowledge of the Bible and on whether he or she meets the requirements of TCU's admission policy. One or more follow-up interviews may be requested. Interview date, time, location, and methods will be set by TCU. While TCU's Admissions Office prefers in-person interviews, there will be an online option for candidates who find it difficult to travel to Japan and to TCU for the interview(s).
4. **Result Notification:** Applicants will receive notification of the final result by email on or before the dates listed in the Application Schedule. The Admissions Office will not answer individual inquiries by phone.  
(Waiting List) Applicants may be placed on a waiting list. The announcement of the waiting list will be made via email at the same time as the result notification of each application type. Those who are placed on a waiting list may or may not be granted admission at a later date. The Admissions Office will notify the applicants on a waiting list via email regarding the final decision after it has been made. The timing of the final decision will depend on the visa requirements. Those who apply for a student visa will receive the final result by April 11<sup>th</sup>. Those who do not apply for a student visa will receive the final result by July 11<sup>th</sup>. If admission is granted, acceptance will be revoked if the applicants do not complete the enrollment procedure by the specified date given by TCU.
5. **Enrollment Procedure:** Successful applicants must complete the enrollment process by the deadline given in the Application Schedule in order to qualify for matriculation in the fall.

## 1-6 Online Application

### Getting Ready

- You can begin your application online at any time by creating an account and logging in at this link: <https://tcu.embark.com/apply/tcu>
- Once you have set up your account, you may occasionally receive emails with information about your application. Please be sure to set Tokyo Christian University as a trusted sender to ensure the emails do not end up in your Junk Mail folder, Clutter folder, or Promotions folder.
- You can save and log out of your application at any time. It is possible to leave and return to your application as many times as you wish before submitting it.
- The entire application must be filled out by the applicant, except for documents such as references, which must be requested from others.
- Items marked with an asterisk (\*) are required. Items not marked with an asterisk may not apply to all applicants (for example, “2<sup>nd</sup> Nationality”). If an item applies to you, please respond whether it is required or not. If an item does not apply to you, please skip it and move on to the next question.
- DO NOT FILL IN THE FORM USING ALL CAPS LIKE THIS, but instead use sentence case (a mixture of small and capital letters, as in these instructions).
- We hope the online application process will be easy and mostly self-explanatory. In this Application Guide, we have provided some additional explanations about selected items in the various sections. If you have any questions along the way that are not answered in this guide, please contact us directly at [admission@tci.ac.jp](mailto:admission@tci.ac.jp), or by phone at 81-476-46-1131 during business hours in Japan (8:30–16:45 Japan time, Monday to Friday, excluding holidays in Japan).

### Introduction

Answer the question about citizenship and residence before proceeding beyond this section.

#### ***Japanese Citizens and Legal Residents of Japan***

- Japanese citizens and legal residents of Japan may apply for entry in Fall 2023 during any of these 5 application periods listed in the Application Schedule:
  - Fall Early Admission: October 22, 2022 – November 12, 2022
  - Fall Regular Admission: November 5, 2022 – January 18, 2023
  - Fall Late Admission I: January 19, 2023 – March 13, 2023
  - Fall Late Admission II: March 14, 2023 – April 3, 2023
  - Fall Late Admission III: April 4, 2023 – June 8, 2023

#### ***Non-Japanese Citizens who Live Outside Japan and Non-Legal Residents in Japan***

- Non-Japanese citizens who live outside Japan and non-legal residents in Japan, including tourists in Japan, may apply for entry in Fall 2023 during any of these 3 application periods listed in the Application Schedule:
  - Fall Early Admission: October 22, 2022 – November 12, 2022
  - Fall Regular Admission: November 5, 2022 – January 18, 2023
  - Fall Late Admission I: January 19, 2023 – March 13, 2023
- ◆ The reason for the difference between Japanese citizens & residents and non-Japanese citizens & non-residents is due to the extra time needed to process student visas for successful applicants who do not already have legal residence status in Japan.
- ◆ You may start your application at any time. However, it is important for you to submit your application on or after the opening date and no later than the closing date of the period you select.

#### ***Selecting an Application Period***

When determining when to apply, applicants are advised to consider these important notes concerning financial aid decisions in relation to admissions decisions (refer to ‘TCU Scholarships’ to check your eligibility):

- The Financial Aid Office will make most of its financial aid decisions based on applications received during the Fall Early Admission period and the Fall Regular Admission period. Note, however, that most financial aid decisions will not be made until after the Fall Regular Admission period closes.

- ODA Scholarship. Those who wish to apply for the Scholarship for Students from Countries Qualifying for the Japanese Government's Official Development Assistance (ODA), in particular, are strongly advised to apply during the Fall Regular Admission period.
- Noah Scholarship. Those who wish to apply for the Noah Scholarship may apply during the Fall Early Admission period or Fall Regular Admission period, though decisions concerning this scholarship will not be made until after the Fall Regular Admission period.
- The Scholarship for Alumni Family Members and the Scholarship for Children of Church Ministers. For those who apply for only one or both of these scholarships (and not together with the Noah and/or ODA scholarships), the Financial Aid Office will most likely make decisions after each application period, beginning with Fall Early Admission and ending with Fall Late Admission III. For those who apply for the Noah and/or ODA scholarships together with one or both of these scholarships, final decisions will be made together with decisions concerning the other scholarship(s) (usually after the Fall Regular Admissions period).

### **Year of Entry (1<sup>st</sup>, 2<sup>nd</sup>, or 3<sup>rd</sup>)**

- If you wish to enter TCU as a 1st-year (freshman) student, select "1st Year" and go to the next page.
- If you wish to transfer to TCU as a 2nd-year (sophomore) or 3rd-year (junior) student, first confirm your eligibility to transfer through TCU's Transfer Eligibility Consultation through this page *before* submitting your application for admission: <https://www.tci.ac.jp/english/admissions/acts/transfer-to-tcu>
  - If you have any questions about eligibility that are not answered in this Application Guide, send us your question by email to [admission@tci.ac.jp](mailto:admission@tci.ac.jp).
  - You may fill in other pages of the online application form while waiting for your transfer eligibility to be confirmed. Please do not submit the form, however, before you have received a decision about your eligibility.
  - After your eligibility has been confirmed, you may submit the online application.

### **Personal Information**

Please follow the instructions on the "Personal Information" page of the online application form.

- Contact Information: Please give a physical mailing address where you can receive mail. We recognize, however, that some towns may not use all of the items in this section in mailing addresses. You may enter "not applicable" (or "00000" for the Postal Code) only if your region does not use one or more of the required items in mailing addresses.

### **Educational Background**

- Consult with the Admissions Office before applying if you are from a country or region where the standard length of elementary and secondary education together is less than 12 years or if you are/were homeschooled.
- Regarding Primary, Lower, and Upper Secondary Education and school names.
  - If your school system does not distinguish between "lower secondary" and "upper secondary" school, you may skip the "Lower Secondary Education" section and fill in the "Upper Secondary Education" section to report your secondary school(s).
  - If you need to enter more than one school in any of the sections, either separate them with a semi-colon ( ; ), or enter them on separate lines by using the return key.
  - If you were homeschooled during any of these periods, give the name of your homeschool and put "Homeschool" in parentheses after the name. Example: Suzuki Family Academy (Homeschool). If you do not have a name for your homeschool, either create one for the purposes of this form or simply enter "Homeschool."
  - If you were homeschooled and/or attended an unaccredited private school for all or part of years 10–12, briefly tell us in the space provided anything you think might be important (you might tell us something about your reasons, the curricula or methods you followed, etc.).
- Regarding Enrolled / Completed Dates: If you do not remember the exact month you enrolled in or completed your primary or lower secondary education, give your best estimate.
- Regarding Duration (years in school): Round up to whole numbers. For instance, treat 9 months of schooling in any given year as "1" year.

### **Transferring Previous College-level Credits**

- Applications who wish to enter TCU as a 2nd-year (sophomore) or 3rd-year (junior) student, are expected to answer “Yes” to the question: “Do you have any previous college credits you wish to transfer to TCU?”
- For applicants applying to enter as a 1st-year student (freshman): Some applicants who wish to enter TCU as a 1st-year student may also have college credits they wish to transfer to TCU. While this will not decrease the length of the program, it may give students some extra flexibility in their studies.
- Whether applying to enter as a 1st, 2nd, or 3rd-year student, applicants who answer “Yes” to this question must submit an official college transcript for final approval of credit transfer.
- Applicants with N5 or higher on the JLPT should contact the Admissions Office about the possibility of additional transfer credits.
- Most credits earned at another accredited university will transfer to Tokyo Christian University if the courses are applicable to a liberal arts program. Courses of a vocational or technical nature or courses in which a C or D grade was earned are usually not transferable. TCU reserves the right to decide the acceptability and applicability of degrees and credits earned at other institutions. Grades for credits accepted for transfer courses are not included when determining a student’s cumulative grade point average at TCU. A maximum of 60 credits may be applied toward a degree at TCU. Students must complete a total of 124 credits including transferred credits to graduate from TCU.

### **Language Proficiency**

Demonstration of English proficiency is an important part of the application process. Unless they meet one or more of the criteria for waiving the English proficiency test requirement (see below), applicants should submit one of the English proficiency test results listed in the table below.

| <b>Recommended Minimum English Proficiency Requirement for First-year Students</b> |                                 |       |                 |                   |                                       |                       |

\*LR=Listening and Reading. SW=Speaking and Writing.

- Official test scores must be no more than two years old.
- Official test results must be sent directly to the Admissions Office from the test centers by the deadline. We recommend that you register early, as test centers fill up quickly.
- For official tests (TOEFL, IELTS, etc.), if you think your official score report will not be delivered to TCU by the application deadline, upload a copy of your score report in the space marked "Unofficial Copy" within that section. For instance, this "copy" might be an unofficial report you received online or by email. Acceptable file formats include PDF, jpg, jpeg, png, docx, doc. The Admissions Office will hold the unofficial score report as a backup copy and replace it after the official test result is received. If you are sure the official results will reach TCU before the application deadline, it is unnecessary for you to upload an unofficial copy.
- TCU school code: TOEFL '8472'. (The Admissions Office will accept both Test Date score and MyBest™ score.)

### **Criteria for waiving the English proficiency test requirement**

If an applicant fulfills any of the criteria below, he or she may have this requirement waived.

- a) If you have completed or will have completed your 12<sup>th</sup> year of formal education in the English language in Anguilla, Antigua and Barbuda, Australia, Bahamas, Barbados, Belize, Bermuda, British Solomon Island, British Virgin Islands, Canada (except Quebec), Cayman Islands, Channel Islands, Dominica, Ghana, Grenada, Guyana, Jamaica, Liberia, Montserrat, New Zealand, Saint Kitts and Nevis, Saint Lucia, Saint Vincent and the Grenadines, Singapore, Trinidad and Tobago, Turks and Caicos, the Republic of Ireland, the United Kingdom, and the United States.
- b) Before enrolling at TCU, you have taken or will have taken your most recent three years of formal education in the English language in a country other than those listed above, and you submit either an academic transcript indicating the language of instruction was English or a letter from your school stating that you have taken all subjects in English (excluding foreign

language courses) for all three years. (Students in home school and unaccredited secondary schools may still be expected to submit an English proficiency test result if they do not submit an SAT or ACT score report.)

- c) You have received or will receive an International Baccalaureate Diploma with English as the language of instruction.
- d) You are enrolled or have been enrolled in a college degree program (BA, MA, etc.) at an accredited college or university with English as the language of instruction. Accreditation must be from an internationally recognized accreditation agency. (Please contact TCU's Admissions Office if you have any questions about this exemption.)
- e) You have received a GED diploma or one of the following standardized test scores (TCU school code: SAT '6898', ACT '7963'):
  - Old SAT (Critical Reading and Writing): 930 or above, New SAT (Evidence-Based Reading and Writing): 520 or above
  - ACT: 18 or above (average of English and Reading)

### **Note Concerning SAT and ACT Test Results**

Along with an increasing number of universities, TCU no longer requires applicants to submit SAT or ACT test results. We understand that some applicants may still wish to submit one of these test results if they have already taken or have plans to take one of these exams. They may do so if they wish, but this is not a requirement for applying to TCU. However, TCU still recommends that applicants in home school and unaccredited secondary schools who conducted their secondary education in English submit an SAT or ACT score report.

### **Those who are unable to submit an English proficiency test score due to inaccessibility and/or economic hardship**

Applicants for whom it is impossible to submit an English proficiency test result because of inaccessibility and/or economic hardship must submit the "[English Proficiency Evaluation](#)". Please note, however, that the Admissions Office places much higher emphasis on official test results.

### **Japanese Language Proficiency**

Japanese language ability is NOT required to enroll in TCU's Fall track for English speakers, nor does admission depend on previous studies of Japanese. We would like to know, however, if you have any Japanese language abilities. If applicable, briefly describe any formal and/or informal Japanese language learning and abilities, including any Japanese language standardized test results (JLPT, etc.). If none, simply write "None" or "Not applicable" in the box and proceed to the next question. Again, admission does not depend on previous studies of Japanese.

## **Housing**

Dormitory life is an important part of TCU's education. Dormitory education allows students to experience 'living together with those made free in Christ,' while striving to make Christ's love and righteousness the grounds of every decision. In principle, therefore, it is a requirement for all full-time students under the age of 40 to live on campus. We recognize, however, that some students have compelling reasons for why they need to live off campus. If you believe that you have a strong need to live off campus, please fill out the Commuting Request form and share your reason(s). (Applicants ages 40 and above who wish to live off campus do not need to submit a Commuting Request form.)

- If the "Commuting Request" section appears even though you are age 40 or above, return to the "Personal Information" page in the online application and make any necessary corrections in your date of birth.
- If you are currently 39 but will be age 40 at the time of entrance at TCU (August 2023) *and* you wish to commute, explain this in the space provided.

Applicants who submit a Commuting Request should understand the following:

- Submission of a Commuting Request does not guarantee approval to live off campus.
- Applicants whose Commuting Request is granted are fully responsible for securing off-campus housing (including finding a guarantor, etc.).
- If the reason is health-related, we may request at a later date that you send us a doctor's note or medical certificate.

## **Health Status / Special Assistance Request**

- Applicants with temporary or long-term disabilities and who may wish to receive consideration for the entrance examination, classes, and/or daily life should fill out this section after answering "Yes" to the first question.
- Those without any disabilities should select "No" in answer to the first question and the move on to the next section.

## Christian Background (Part 1)

As an inter-denominational institution, Tokyo Christian University admits Christians from a wide range of churches and denominations. One thing they all share in common is a personal commitment to Jesus Christ. Please answer the questions to help us understand your Christian background.

- Dates: If you are unsure of exact dates in answer to the first two questions, please give us your best estimate as to the date.
- Denomination: If your church does not belong to a specific denomination, you may opt to tell us the broader tradition with which it identifies, or enter descriptors such as “Non-denominational”, “Independent”, etc.
- Name of Pastor: If your church is currently without a pastor, give the name of its senior leader, or one of the people the congregation identifies as a leader.

## Christian Background (Part 2)

- It is highly recommended that you compose and save your responses to these questions in a separate file. Then, when you are ready, copy and paste your responses in the boxes provided. Be sure to keep copies for yourself.
- When composing drafts of your responses, pay close attention to the suggested word count for each question. Many writing apps have word counters built in. If your app does not have a word counter, you can easily find free word counters online. Your word count will appear below each box when you copy and paste your answers.
- Be sure not to go over the word count for any of the questions in this section. Otherwise, your response(s) will be cut off at the word limit.

## Goals for Studies at Tokyo Christian University

TCU offers two majors in its English track: Theological Studies and Global Studies. Students do not officially declare majors until the end of their second year. You will not be bound at all by your answer here. We would simply like to know if you have a preference at this point in time.

## References, Academic Transcripts, Evaluations

This page of the online application form is for applicants to request various documents to be submitted on their behalf. These include:

- Academic Reference (required for all applicants)
- Pastoral Reference (required for all applicants)
- Academic Transcript or Transcripts (required for all applicants)
- English Proficiency Evaluation (not required for all applicants)

Follow the instructions in each section for requesting and adding the forms required for you. If you can't find the answer to a question in the online application form or in this guide, please send your question(s) to the Admissions Office at [admission@tci.ac.jp](mailto:admission@tci.ac.jp).

### ***Official Academic Transcripts for First-year Students***

The general principle is that we need official evidence that you have twelve or more years of primary and secondary education along with proof that you successfully completed a prescribed course of studies equivalent to graduation from a Japanese high school. A high school transcript is sufficient for all applicants who wish to enter TCU as a first-year student. However, first-year applicants who have attended an accredited institution of higher education for one or more years may submit that transcript (or transcripts) instead. More specifically:

- a) If you have not yet graduated from high school, provide a transcript of your academic work up to the point of the application.
- b) If you have already graduated from high school, provide a completed transcript from your high school if you will not submit a transcript from an accredited college or university.
- c) If you have already graduated from high school and have been enrolled in a college / university or other institution(s) of higher education for one or more years but have *not yet* graduated, you may provide only the transcript(s) from your college or university (or other institution of higher education). If you prefer, however, you may submit your completed high school transcript instead.
- d) If you have graduated from a university, you may provide your university transcript only. If you prefer, however, you may submit your completed high school transcript instead.

**Official Academic Transcripts for Transfer Students (2<sup>nd</sup> and 3<sup>rd</sup> Years)**

- Official academic transcripts from all college/university undergraduate programs (B.A., etc.) are required.
- Transfer applicants who are only midway through their first year of college with less than 20 earned credits may be asked to submit their high school transcript(s) together with a transcript of their college coursework.
- Applicants whose college work elsewhere is in progress must send an updated transcript with final grades upon completion of their term and before matriculation at TCU.
- Applicants with N5 or higher on the JLPT should contact the Admissions Office about the possibility of additional transfer credits.

**Submission of Academic Transcripts**

Official academic transcripts should be sent to TCU in one of the following ways:

- On the “References, Academic Transcripts, Evaluations” page in the online application, send an invitation for the registrar/school issuing the transcript (or transcripts, if from multiple schools) to submit it to TCU online.
- An official electronic transcript directly sent from the issuing institution is also acceptable if the applicant’s school has such a system. The electronic transcript should be sent to TCU’s Admissions Office ([admission@tci.ac.jp](mailto:admission@tci.ac.jp)).
- If a school is unable to send TCU a transcript through either of the above two channels, TCU will accept a physical transcript through either of the following channels:
  - The registrar/school may send a physical transcript directly to TCU by post.
  - The applicant may obtain a physical transcript from her or his register/school in a sealed envelope with the school official’s stamp or signature across the seal. Then, the applicant may send the sealed envelope directly to TCU by post.

**Concerning Physical Transcripts Sent by Post**

In case your official transcript cannot be reissued, a photocopy or replication of the transcript is acceptable (copy both front and back). *The copy, however, must bear an original mark, seal, or signature of the issuing institution\** (see the section “Authenticity of Documents” below).

**Proof of Secondary School Graduation when the Transcript Does Not Indicate Graduation**

- TCU must receive evidence that successful applicants have graduated, or will graduate, from high school (a secondary school).
- High school transcripts usually serve this purpose. If you have graduated from high school and your academic transcript provides evidence of your graduation, or if you have not yet graduated from high school and your academic transcript indicates your expected graduation date, no further evidence is necessary. You need only submit your academic transcript.
- However, if your high school transcript does not give clear indication of your graduation date, you may be required to submit an additional document such as a copy of a graduation certificate, a diploma, a letter from a school official stating your graduation date, or other document that indicates you are following a course of study that will lead to graduation before matriculation at Tokyo Christian University.
- In that event, if you use your diploma or a similar document as proof, please do NOT send the original. A photocopy is acceptable (copy both front and back). *However, the copy must bear the mark, seal, or signature of the issuing institution\** (see the section “Authenticity of Documents” below).

**Applicants who Have not Graduated from High School at the Time of their Application**

Your acceptance at TCU, if granted, will be contingent upon completing your course of studies at your secondary school. Before your actual enrollment at TCU, you must provide an official and final transcript from your secondary school. If the transcript does not indicate graduation, you must also provide a separate proof of graduation as stipulated above.

**Applicants Taking “A-level” or Similar Examinations**

In some countries, there is no actual graduation from high school. Passing certain government-authorized exams serves the same function. In such cases, please provide proof of having passed these exams and your marks. A photocopy or replication of the original document is acceptable (copy both front and back). *However, the copy must bear the mark, seal, or signature of the issuing institution\** (see the section “Authenticity of Documents” below).

### ***Applicants in Home School or Unaccredited Secondary Schools***

The Admissions Office recommends that applicants in home school and unaccredited secondary schools who conducted their high school education in English submit an SAT or ACT score report (TCU school codes: SAT '6898', ACT '7963'). If the applicant is unable to submit an SAT or ACT score report, the Admissions Office may request additional documents that demonstrate academic readiness (for example, descriptions of courses taken in high school, textbooks used, etc.).

### ***Authenticity of Documents***

To ensure the authenticity of documents, we ask applicants to submit original documents. However, we understand that applicants may wish to keep certain documents that can be issued only once, such as diplomas, academic transcripts, etc. For such documents, the Admissions Office will accept certified copies in place of the original documents.

- The Admissions Office does not accept certified copies of English proficiency test results or results of a university entrance qualification examination and/or other standardized tests such as SAT, ACT, etc.
- *Difference between certified copies and original documents*  
A certified copy is a copy of the original certificate that has been deemed the equivalent of the original with an official seal from the issuing institution (e.g., a school or test center) or other authorized institutions (e.g., a notary public). The official seal proves the validity of the certified copy.
- *Institutions which can issue a certified copy*  
Applicants should request the issuing institution to issue a certified copy. If the issuing institution cannot issue a certified copy, it is possible to request it from a notary public, embassy, or public institution that is responsible for education in your country (e.g., Ministry of Education). Note: Translation agencies and/or your church are not authorized to certify your documents.
- *Procedure to have a document certified.*
  1. Prepare the original document.
  2. Have one of the institutions mentioned above, in the section "Institutions which can issue a certified copy," produce a copy of the original document.
  3. Have the institution add an original mark, seal, or signature on the copy certifying the copy is equivalent to the original document. Note: Applicants are required to submit the original version of the certified document or certified copy (that is, the documents that have been stamped with the official seal of the institution or signed by an official at the institution).
  4. In case the original document is not in English or Japanese: Applicants should request the issuing institution to issue an official English document and follow step 1–3, above. In case the issuing institution cannot issue the document in English, applicants should ask a translation agency to translate the original document into English. The translated document should be certified by a notary public to prove the translation is faithful to the original. Translations made by the applicant him/herself or applicants' friends, family are not acceptable.

### **Scholarships**

TCU currently offers four scholarships to a limited number of students:

- Scholarship for Alumni Family Members. This award is 100,000 yen to those who are eligible.
- Scholarship for Children of Church Ministers. This award is 100,000 yen to those who are eligible.
- Noah Scholarship. This award may range from 100,000 to 300,000 yen for 2 to 6 recipients, depending on the amount of each award.
- Scholarship for Students from Countries Qualifying for the Japanese Government's Official Development Assistance (ODA). This scholarship award may be a partial or full scholarship. Depending on the availability of resources and the amounts awarded, there may be as few as 1 or as many as 3 or 4 recipients.

Some applicants may also qualify for an external scholarship – the JASSO Scholarship – after enrolling in TCU.

### **Signature**

- All application materials must be received by the deadline.
- Submitted information will not be used for any purpose other than admission-related matters, scholarship-related matters, statistics/analysis, educational guidance after enrollment, and to carry out matters associated with the above-mentioned matters.
- Acceptance to TCU may be revoked if any false statements/information or forged signatures are found within submitted documents, even after enrollment.

## Application Fee

Please pay the application fee when submitting your online application. Applications will be considered only when the application fee has been paid.

Regular Fee: 50 USD (\$50)    Discounted Fee: 25 USD (\$25)

- The regular application fee is 50 US Dollars (\$50), but TCU provides a discount of 25 US Dollars (\$25) for applicants who meet the following criteria:
  - You are a citizen of a country listed among the countries receiving Official Development Assistance (ODA) from the Japanese Government, *AND...*
  - You reside in one of those countries.
- The above includes applicants with double citizenship as long as one of their countries of citizenship is listed among ODA recipient countries and they live in a country that is an ODA recipient.
- A list of countries receiving Official Development Assistance from the Japanese Government is available here: <https://www.oecd.org/dac/financing-sustainable-development/development-finance-standards/DAC-List-of-ODA-Recipients-for-reporting-2022-23-flows.pdf>
- To receive the discount, eligible applicants must request the discount by correctly answering the question in the “Discounted Application Fee” section at the bottom of the “Applications for Financial Aid / Scholarships” page *before* they submit their applications.
- No discounts or refunds are given after submitting the application even if the applicant is eligible for the discount.
- If an applicant answers “Yes” to the question there even though they do not qualify for the discount, their application will be considered incomplete until they pay the regular application fee.
- All others should pay the regular application fee of 50 USD.
- We understand that some applicants may find the application fee (whether regular or discounted) to be a financial burden. In such cases, TCU expects the applicant to raise support within their extended family, church, and/or local community.
- The application fee is not refundable.
- Waivers of the application fee may be granted by the Admissions Office only in extraordinary circumstances.

### How to Pay the Application Fee

- Please pay by credit card upon submitting the online application.
- If you do not own a credit card, you are expected to find someone in your family, church, or community who can process the payment on your behalf.

## 1-7 Applicant Misconduct

In the event that clear evidence of misconduct is found, admission may be revoked retroactively, whether after acceptance or after enrollment. The following examples of misconduct are intended to be representative, but not all-inclusive:

- false statements, forgery, or plagiarism in the application documents;
- using devices (such as a smart phone or other electronic device) or materials not approved by TCU during the examination (including items placed on the table or items on one’s person);
- ringing or beeping of cellular phones or other devices during the examination;
- cheating during the examination;
- not following the instructions of the examiner or proctor;
- otherwise acting in other ways that undermine the fairness of the examination.

## 2. SCHOLARSHIPS

Given the low costs of tuition and room and board (especially compared to North American and other private colleges in developed countries), financial aid for Japanese students, North American students, Western European students, or other students coming from families or situations with comparable resources is limited. If the student's family does not have sufficient resources to pay the tuition and fees, the university expects students from these areas to take advantage of loans, support from their congregations, and similar resources. Nevertheless, if a student demonstrates financial need and lack of resources, he or she may qualify for some level of financial aid (grants and other scholarships). All students who have serious financial needs, therefore, are encouraged to apply for financial aid.

It should be noted that, although married persons are welcome to study at TCU, TCU does not provide any financial assistance for family members. And it is difficult for spouses without adequate Japanese to find jobs to cover their expenses and those of any children. Therefore, only unmarried students without any obligation to support other people (parents, brothers, sisters, etc.) will find it practical to attend TCU while receiving financial aid.

### 2-1 TCU Scholarships

Financial aid decisions are made after admissions decisions. Therefore, applicants who apply for financial aid should not expect to receive scholarship application results until some time after they receive admissions application results. Scholarship awards are made on a year-to-year basis. It will be necessary, therefore, for students in need of financial aid to submit a financial aid application each year they wish to be considered. You can apply for all scholarships for which you are eligible.
